

Compare Historical Perspectives: Apply and Create

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

Two fictional practice accounts

Invented practice data or scenario; not a report of a real study.

Account A: A shop owner writes that a new road made deliveries faster. Account B: A resident writes that the road brought noise near home. Both describe the same invented road opening. Neither account is an actual historical document.

1. What evidence could test the reported effects?

2. Can these fictional accounts prove a real event occurred?
