

Compare Community Rule Proposals: Practice Independently

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

An invented shared-space meeting

Invented practice data or scenario; not a report of a real study.
Residents use a shared room. One proposal reserves one quiet hour each evening. Another allows games at all times. Readers want quiet; players want time to gather. The group can also consider a schedule with both uses.

1. Give a reason supporting the quiet hour.

2. Give a concern about reserving the room.
