An original composition description

A single small figure stands near the bottom of a wide empty page. Thin lines lead toward the figure. A bright shape appears far above. This description is invented; no artist attribution is implied.

1. Where is the figure placed?

2. What leads toward the figure?

3. Suggest an effect of the wide empty space.

Support an Interpretation of a Composition

Name: _____ Date: _____

4. How could the lines affect attention?

5. Sketch a revision that creates a different effect.

6. Why can more than one interpretation be reasonable?
